## Passover Fun!!

Our passover events were a lot of fun this year. The beginning of the festivities started with parents getting a passover lesson from Phyllis Adler, and the children participating in Passover activities like games, coloring, and story telling. Finally everyone joined together for an informal passover dinner and to make Matza pizzas which were DELICIOUS! Thanks to all of our families that came out and made the day special! (see our [Facebook page](#) for more pictures)

## Jewish Parenting Tip

So for the month of May we are counting from Passover to Shavuot 49 days... We are so excited to receive the torah at the end of this month at Mount Sinai- but if we don't stop along the way on our journey to smell the roses and see the sunset we may not actually make it. The journey is the goal- making each and every day count and not just counting the days!

So every day at breakfast or over dinner , when you are driving in the car or reading books with your kids- count the blessings in the moment as a family (and on your own too!)-Blessings, Deb Dusansky

## Upcoming Events
