### **About Stepping Stones**

Stepping Stones is a Jewish outreach organization. Our mission is to welcome, support and educate interfaith couples, children and their families. Stepping Stones is guided by the beliefs that:

- All interfaith families should be welcomed by the Jewish community
- Jewish continuity depends on outreach and education

This year marks Stepping Stones' 25<sup>th</sup> Anniversary, and so this year participation in the event is more important than ever. The need in the community for the unique educational programs and social opportunities offered by Stepping Stones continues to grow. According to a study released in January 2008, the **intermarriage rate in the age category of 19-39 year olds is 71%**. Stepping Stones has proven that given support and education intermarried homes can insure that the future of Judaism continues by promoting our valued traditions and rituals of study, prayer, and tzedakah.

A significant percentage of the proceeds from this event will go to the program, directly impacting Stepping Stones' ability to continue our mission to welcome, support and educate interfaith couples and families.

The golf tournament is open to all players. Golf registration and sponsorship levels and registration can be found online at [www.steppingstonesfamily.com](http://www.steppingstonesfamily.com).

Be a part of the solution and know your contribution to Stepping Stones secures the richness and continuity of Jewish life.
